BIG FIGHTERS ARE READY FOR SOUNDING OF GONG

Schreck and Ross Meet at Amphidrome Tonight in Ten Round Contest Which Should Prove Interesting Event—Neither Man Underestimates the Boxing Ability of His Opponent.

"I know I'll have a hard fight, but I am going to go right through with it. I am in fine condition, and I realize it will be no snap on either side," Mike Schreck.

"I am going up against a pretty good man and expect to have to fight hard, but I think I can beat him. I never felt better in my life and expect to win," Tony Ross.

With both fighters confident of success the hour for the ten round battle encounter between Mike Schreck of Cincinnati and Tony Ross of Newcastles, Pa., at the Amphidrome draws near. Both men are trained to the minute and each declares himself in position to put up the best kind of a scrap. Naturally both men are confident of success, but neither man underestimates the ability of his opponent as is evidenced by statements made by both fighters to The News.

Schreck's ability as a fighter is known in copperdom, he having easily defeated Walter Whitehead, the Duluth colored scrapper, before a local audience a few months ago. Of Ross

AMERICAN YOEMEN BRANCH ORGANIZED AT PAINESDALE

The third branch of the Brotherhood of American Yeomen in the copper country was organized at Painesdale in the "old reading room," by Carrie Reeves, district manager, last Wednesday evening. About twenty members joined the organization at its inception, and it is expected that a number of others will soon join. The following officers were elected:

Honorable foreman—Dr. Axel Anderson.

Correspondent—Laura Aichealis. Master of accounts—Annie Mac. Master of Ceremonies—Laura Kemp. Overseer—Mary Prinn.

Delegates of the Calumet "Red Metal" lodge were in attendance and a social dance for the good of the order followed, refreshments being served. It is expected that steps will be taken to organize a branch of the American Yeoman in Hancock this week.

TALKS ON WRESTLING GAME.

Oldtime Mat Artist Says Rowett is King of Cornish Stylers.

A copper country wrestling authority, one who has been through the game and knows every in and out of it, took occasion during the course of a recent conversation to say some complimentary things of the Cornish wrestlers now in copperdom. He said in part:

"Jack Rowett is the best wrestler in this country today, so far as Cornish style wrestling is concerned. This fact he displayed by throwing Tim Harrington in Calumet recently, and Harrington will throw Ziehr when the two men meet. I think the Butte man will have his hands full in getting away with Ziehr but he is going to win out in the end. This is because he is the faster man, has a better head and wrestles a style entirely new to the copper country people. However, Harrington is going to find a gamey man in Ziehr and to win he must make the best of his time."

"I had the opportunity of witnessing the recent bouts at Trimountain and think the Chapman boys a wonderful family of wrestlers. Sidney Chapman is certainly a comer and with additional weight should some day lay claim to the championship. I do not think Ziehr can lay claim to it any more unless he defeats some of the big men of today. He has been thrown by Chapman, Rowett and Harrington so there seems to be little ground for his claiming the honors. Those are three men whom he must defeat before he will be proclaimed the champion."

"I want to see one more match and then I will be satisfied to take no more active parts in the sport although I will always try and witness the matches. I understand that Harrington and Ziehr are to meet soon in Calumet. Well, when they do then you will see two of the best wrestlers in the world."

WEDDED AT TRIMOUNTAIN.

Former Calumet Couple United in Wedding Saturday Afternoon.

Miss Katherine Kraft of Trimountain and Elmer Eathorne of Baltic were quietly married Saturday afternoon at the bride's home in Trimountain. The ceremony was performed by Rev. Traub of Hancock pastor of the German Lutheran church, of that city.

Miss Nettie Eathorne, a sister of the groom, acted as bridesmaid, while a brother of the bride acted as best man. The German Lutheran service was used, the ceremony being performed in the parlor in the presence of immediate relatives.

The bride is a Trimountain girl, born in Calumet and reared on the range. The groom has been a resident of the range for some time, coming here from Calumet and is now engineer at one of the Baltic hoists. The young couple will go to housekeeping at once at Trimountain.

SOCIAL CLUB ELECTION.

Winona Organization Selects New List of Officers.

A meeting of the Winona Social club was held Friday evening for the election of officers and the adoption of the

revised constitution. The new constitution changes the membership fee from one dollar to fifty cents and the monthly dues from fifty cents to twenty-five cents. The club will give a card party Friday evening, October 29, in the club rooms.

The officers chosen Friday evening are as follows:

President, Frank G. Luker. Vice president, M. J. Finnegan. Secretary, Charles Miron. Treasurer, Dr. A. D. Aldrich. The executive committee will consist of the above named board and two other members of the club. The members chosen to comprise this board were Robert Anderson and John McCarthy.

MANY ARRESTS OVER SUNDAY.

Thirteen Locked Up in County Jail Since Saturday Evening.

Saturday night and yesterday witnessed busy times at the county jail. There were thirteen prisoners brought in and this morning the jail office was crowded with accused and officers, en route to the various local courts. Most of those arrested were disorderlies.

Peter Markovich was brought in yesterday morning from Hurontown by Officer Mahar, who charged cruelly to animals. When Markovich was searched at the county jail a pair of brass knuckles was found in his possession and he was also charged with carrying concealed weapons.

Ben Trevorton, a Laurium lad, who in June was let go on suspended sentence, after being found guilty of simple assault, was brought in Saturday

to serve a thirty-day sentence, it being alleged he threatened to kill his aged grandmother. At the conclusion of his present sentence Trevorton will likely be sentenced by the circuit court for his previous offense.

KARVAKKA GOES TOMARQUETTE

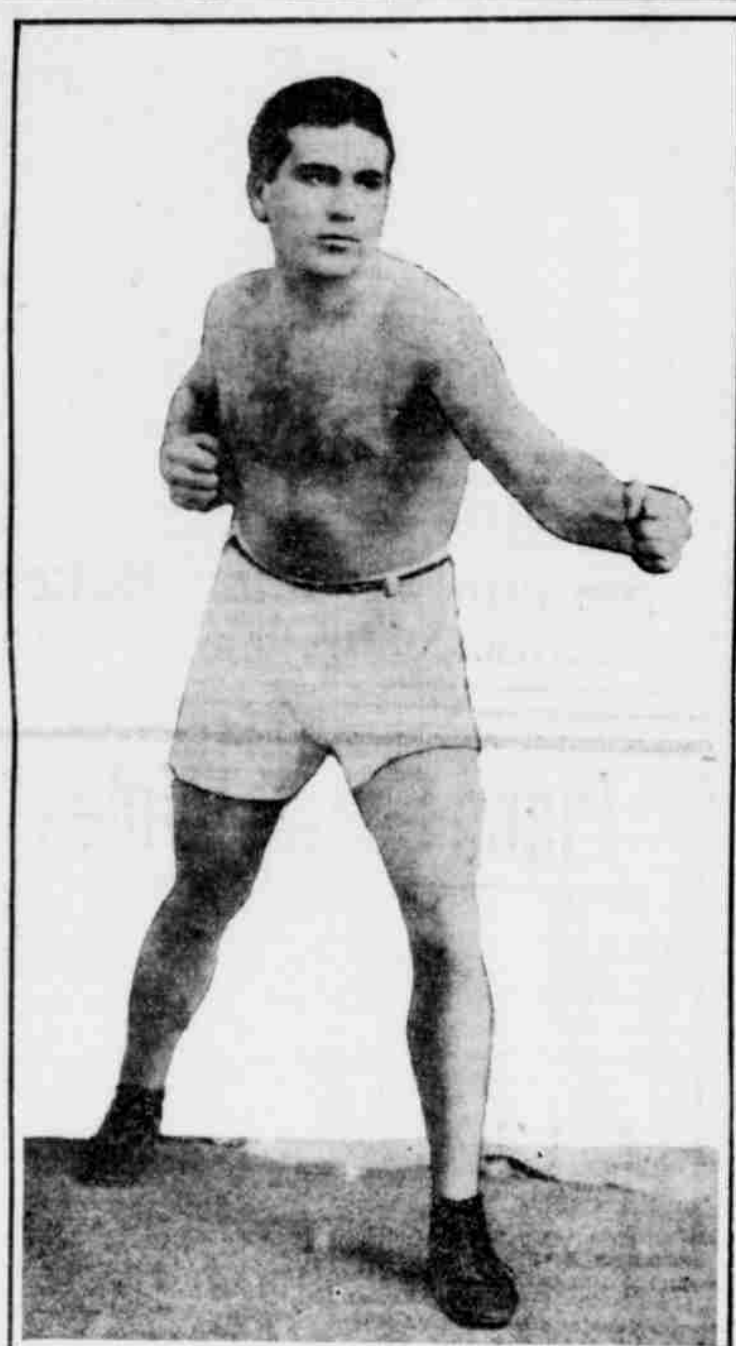

Man Guilty of Manslaughter Given Sentence of 1 to 15 Years.

Elio Karvaka, who at the present session of circuit court pleaded guilty to manslaughter, in connection with the killing of a man named Matson at Red Jacket a couple of months ago, was this morning sentenced by Judge A. T. Streeter in the circuit court to serve from one to 15 years in the branch prison at Marquette. Karvaka was charged with murder, but the prosecuting attorney consented to a plea of guilty to manslaughter.

The reason for holding Karvaka here so long was that it was thought an alleged accomplice, named Leimonen, would be tried at this term of court and Karvaka would be required as a witness. Leimonen has been held for trial at the November term, at which time it is likely Karvaka will be returned here as a witness on behalf of the prosecution.

Simon J. Beahan, manager of the statistical department for Hayden, Stone & Co., New York brokers, is here on a business trip.

William Condon and Mrs. Frances Freeman, both of Calumet, were married here Saturday by Rev. A. B. Sutcliffe of Grace church.

TONY ROSS, WHO WILL MEET MIK. E. SCHRECK AT THE AMPHIDROME AT HOUGHTON TONIGHT.

It may be said he is a comparative stranger, yet the big Italian has made many friends during his brief stay here and he will not lack supporters when he faces Schreck in the roped arena this evening.

It is expected that Tom Madden of Duluth will referee the main bout. Madden is an old-timer in the boxing game and knows the sport from A to Z. Promoter Gene Ferguson wrote him a short time ago, asking him to attend the bout, and Madden has announced he will be here along with a good-sized delegation of Duluth fight fans.

Preceding the main bout will be two chancy preliminaries. It is figured Ross and Schreck will don the mits at about 8 o'clock and an hour later one of them may probably be eliminated from the championship for a time to come.

There has been a good seat sale and unless something intervenes before night a record breaking crowd for the copper country is expected to be in attendance. So far there is little, if any, wagering, but the odds, what little there are, seem to favor Ross who appears the perfect picture of health and strength.

SUPERVISORS MEET AGAIN.

Adjourned Annual Meeting of Board Will Be Held Tomorrow.

The county board of supervisors will meet tomorrow morning in adjourned annual session. At this time the equalization committee, which met several days the past week, will make its report, and the valuations for the county and tax rate will be determined. It is figured that the assessed valuation this year will be somewhat in excess of what it was last year, owing to an increased state tax rate. The equalization committee held its sessions in the juvenile court building and its labors were by no means easy.

the Saviour of men. Our prayers accompany him and his family that God may bless and use him to his glory in his new field of labor and wherever his lot may be cast. We also commend him to the fellowship of the Copper Country Ministerial association, and be it further
